

AP-Maths Program ✨

- Are you interested in Engineering, Mathematics or IT?
- Do you want to become an Actuary, or Auditor?
- Join us and receive an International Certificate. The IEB issues the ISC (standard) certificate or the ICS (advanced) certificate endorsed by Stellenbosch University.
- Our Centre is an IEB aggregated Centre.
- We meet once a week for a theory lesson.
- You can join us on Fridays to enhance your AP, work on Past Papers or just come to make sure you understand all the concepts.
- You will do assignments and write 2 exams per year.
- This is an Advanced Program and you must enjoy Mathematics and must be interested in challenges, -
...——☆
- Our lecturers have years of experience as well as teaching Mathematics at UFS.
- You can book an online class if you need extra help!
